Pontcanna

Location is everything. That's why we chose Pontcanna as the setting for The Terrace.

As Cardiff's most sought after neighbourhood, this flourishing and leafy suburb is home to some of the city's best restaurants, not to mention boutiques, bars and galleries.

A byword for urban chic, over the years Pontcanna has garnered something of a stellar reputation; the areas immediate proximity to the city centre, abundance of park land and café culture ambience all contributing to its status as one of the most refined and desirable addresses in Wales.

Typical Loosemore interiors

Loosemore ...

Loosemore is a niche property company that combines bespoke design led homes, stunning architectural spaces and exquisite interiors.

Continuing to set new standards in the design and build world, Loosemore has been responsible for some of South Wales' most accomplished and well executed developments. From Pontcanna's unique Severn Square, which was created from the conversion of a Victorian cheese factory, to the boutique hotel-inspired Magnolia villa apartments on Cathedral Road, the Loosemore name is swiftly becoming synonymous with quality and inspiration.

What these and other developments share is a commitment to excellence and a desire to set industry standards.

Situated on Conway Road in the heart of Pontcanna, The Terrace offers a selection of six four-bedroom townhouses and one three/four-bedroom gatehouse.

Each townhouse is laid out over four floors, and comes with a private rear garden and secure gated off-road parking. Furthermore the top floor incorporates a private east facing roof terrace, perfect for privacy seeking city dwellers and reading the morning papers.

The epitome of the modern, metropolitan idyll, The Terrace is a blend of superior urban design, indulgent finishes and luxury detailing that sets it apart from the crowd.

At The Terrace no details have been overlooked. These are homes for those who truly appreciate bespoke architecture and design.
